DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner of Patents and Trademarks**

The replacement appendix of claims filed 12-4-02 in response to the 11-8-02 remand has been entered and considered. The application has been forwarded to the Board of Patent Appeals and Interferences for decision on appeal.

The substitute appendix of claims is substantually correct, except that the words --such that-- should have been inserted after "microprocessor means" in claim 72 line 4.
